EDUCATION

B.E - B.TECH - Information Technology
Jadavpur University

10/2020 - Present   *9.1 /10 cgpa*

12-th State Boards (H.S Exam)
Barrackpore Govt. High School

02/2018 - 05/2020   *96.2 %*

PERSONAL PROJECTS

Path Finding Algorithm Visualizer
(06/2022 - Present)
- Currently working on these project , which will help us to know different kind of graph algorithms along with their visual implementations . Here we can visualize BFS , DFS , A* like popular path finding algorithms .
- Path Finding Algorithm Visualizer
- Technologies Used - HTML , CSS , Javascript , nodeJs

Sorting Algorithm Visualizer (05/2022 - 06/2022)
- These project will help the budding developers to understand the workings of different Sorting Algorithms along with their Time and Space Complexities . In these web application we can observe the working procedure of different Sorting Algorithms like Bubble , Selection , Insertion , Merge , Quick , Heap Sort.
- SORTING VISUALIZER
- Technologies Used - HTML , CSS , Javascript

Personal Portfolio Website (04/2022 - 05/2022)
- These project will help the developers to communicate with other developers by approaching them through their portfolio websites directly . We are adding a lot of features like to download the CV , contact with developers , read already published blogs etc.
- PERSONAL PORTFOLIO WEBSITE
- Technologies Used - HTML , CSS , Javascipt

Twitter Clone (07/2022 - Present)
- These is an interesting project , in which I am trying my best to replicate the actual twitter page and most of its funtionalities.
- TWITTER CLONE
- Technologies Used - HTML , CSS , Javascript

SKILLS

- Wireframing - Microsoft Powerpoint
- Designing - Photoshop
- Programming Technology - C++ , Java , Python
- Front-end - HTML , CSS , JS
- Back-end - nodeJs, Firebase
- Debugging Skill
- SQL , MySQL
- Fluent in Verbal and Written Communication
- Leadership Skills

ACHIEVEMENTS

1. Secured a Global Rank of 319 in Google Kickstart Round D , 2022.

2. Secured a Rank of 600 (AIR) in Google Kickstart Round C , 2022.

3. Secured global rank of 25th at Innovate India Coding Championship among 90000 candidates.

4. Secured a Global Rank of 85 in Amazon Alexa Intern Hiring Challenge.

5. Secured a Global Rank of 3 in Coding Ninjas Intern Hiring Challenge , 2022 and a Global Rank of 68 in GFG Intern Hiring Challenge, 2022.

6. Among Top 0.85 % Coders at Leetcode(Max - 2232) .Also a Specialist at Codeforces (Max-1507).
Leetcode Codeforces Codechef
